Section 105: Bringing Tax Equality & Healthcare Spend Savings to the Working Class

Tripp Shaw

VP, MARKETING & IMPLEMENTATION
INCOME PROTECTION USA

- Learn the historical background of these programs
- How to proactively reduce your Healthcare Spend
- How to realize substantial tax savings for both the Employer and the Employee
- Where Health & Wellness plans make a drastic difference for the Mental & Physical well-being in the workplace

With over a decade of experience at the cutting edge of insurance and group benefits as a whole, Tripp Shaw brings awareness to the community, by creating solutions. Growing up in Durham, NC he saw firsthand the struggles of business owners and noticed a significant void in insurance education. Focused on driving organizations to make truly informed insurance decisions.
